

Cannon Marcia Wall

Canon Marcia Wall, Canon Pastor and Acting Precentor at Manchester Cathedral, has been involved in interfaith work for a number of years. She has acted as Chair of the Diocese of Manchester Interfaith Group and also played an active role in the organisation and planning of Holocaust Study Day events held at the Menorah Synagogue. Canon Wall has visited Israel and Palestine a number of times and attended courses at Yad Vashem, Tantur Ecumenical Institute and St George's College. She has been a FODIP supporter from the start and believes that the work that they do, bringing communities together, particularly young people, is very important.
